Hi Helen,
I'm checking in again on a date for the EPA site walk. Let me know if we should firm up 23 June.
Thanks,
Chris

Good Morning Helen,

I am checking in with you about the date for an EPA site visit to Bradford Island. I recall that you had communicated that 23 June was a date that worked for EPA, specifically for Mr. Calvin Terada. I have checked with our folks and that date works for our Commander. Please let me know if I should finalize this date and send out a meeting invite to get it on everyone's calendar. I would like to remind you that this site visit is just for a site walk and will not include any FFA discussions. I will let you know what the COVID requirements are as we get closer to the 23rd.

Thanks,

Chris
